

Centre for Theoretical Physics

Jamia Millia Islamia New Delhi

Lecture Series

Lectures on Gauge Field Theories

Starting 24th September 2018

Romesh Kaul

Institute of Mathematical Physics, Chennai.

Suitable for senior M.Sc and Ph.D. students

The first few lectures will be aimed at a level which even a good senior level MSc students can follow, but later ones will be more at the PhD field theory course level. If students have been exposed at some level of quantum field theory (not necessarily at very deep level) it would be useful.

Lecture 1	24 September, 3:30 PM	Lecture 2	25 September, 3:30 PM
Lecture 3	27 September, 3:30 PM	Lecture 4	28 September, 3:30 PM
Lecture 5	1 October, 3:30 PM	Lecture 6	3 October, 3:30 PM
Lecture 7	4 October, 3:30 PM	Lecture 8	5 October, 3:30 PM
Lecture 9	6 October, 11:00 AM	Lecture 10	8 October, 3:30 PM

Venue: CTP Seminar Room

Centre for Theoretical Physics
